

China calls on US and North Korea to have talks as soon as possible

written by admin | March 8, 2018

China's foreign minister Wang Yi called on the [United States](#) and [North Korea](#) on Thursday to have talks as soon as possible.

He said that peace must prevail, amid signs of easing tension over North Korea's nuclear and missile threats.

Wang made the comments during a news briefing as part of the annual meeting of China's parliament.
